Lucas Fuel Treatment

Lucas Fuel Treatment should definitely be used in vehicles that require leaded fuel because it actually replaces the benefits of lead in gasoline.

One Bottle treats 20 Gallons.

12 Volt Bilge Pumps

Ok folks, I do not carry Lovette pumps! I do not believe they are worth the money!
The pumps I sell are 1/3 the size, draw only 3 amps vs. 8 amps. Not to mention they are 1/2 the cost and in my opinion they are twice the pump as a Lovette.
